

Welcome to the 2024 CSHA Conference! The year's theme, **Conquering the Climb from Research to Practice**, will allow you to put the information you've learned this weekend into practice on Monday morning! We happily welcome our national and local presenters.

NEW this year!

- We have a few new exciting changes this year, including track sponsorships as well as breakfast and happy hour sponsorships. This allows companies to promote their business and maximize their visibility throughout the conference.
- New Early Intervention track on Friday, which is sponsored by MGA Homecare. We continue to have the Education track, sponsored by AnthroMed Education and the Medical track on both days, and a Multi-Interest track on Saturday.
